SCAHACC AND TALLO Partnership Agreement

I represent and warrant that:

Tallo retains ownership of all student information and my company will use said information solely for internal recruiting purposes.

My company will not disclose any student information provided by Tallo to a third party including but not limited to a partnering company or organization and will protect such information from unauthorized access or disclosures.

Tallo has the right to suspend, terminate, or regain delivered student information if Tallo suspects that student information is being used for purposes other than internal recruiting or shared with third parties.

I have the power and authority to sign this agreement on behalf of my company.
