

Texting & Driving Agreement

As an employee of our company,

I, _____, agree to drive responsibly and safely while operating a service vehicle.

I understand that my actions while driving the vehicle represent our company, and I will not risk the reputation of your company by driving recklessly.

I will not jeopardize my safety, or the safety of others around me, by texting behind the wheel.

My employer has informed me that I may be suspended or terminated if I am texting while driving. I agree to temporarily surrender my mobile phone if involved in an accident and will allow management to ascertain if I was texting at the time of the accident.

By signing below, I acknowledge this and understand that while driving a service vehicle, texting is strictly prohibited.
